Re: Freedom of Information Request for Pavillion Field  
Area in Fremont County, Wyoming  
FOIA Request Number 08-FOI-00076-12

Dear Ms. Brown:

Thank you for continuing to work with Mike Boydston, Tom Sitz, Andy Lensink and me regarding the above-referenced Freedom of Information Act Request (FOIA Request). We received your proposed revisions to the initial FOIA Request, dated December 20, 2011.

As we discussed during our conversation today with Mr. Lensink, we had an opportunity to meet with our management regarding the FOIA Request. Based on the number of FOIA Requests to multiple offices that we discovered during our conversation on December 20, 2011, the scope of the Requests, the number of people with responsive documents, and the volume of documents requested, our management requested that Region 8 coordinate with the other impacted United States Environmental Protection Agency offices to ensure a consistent response. Based on the above-referenced factors, we will provide a response to you as soon as practicable regarding the time frame and EPA's cost required to respond to the FOIA Requests. See 40 C.F.R. §§ 2.104(c) and (d).

Thank you for your cooperation in this matter. We look forward to continuing to work with you on these issues. If you have questions regarding the FOIA Request, please feel free to contact Mr. Boydston at [boydston.michael@epa.gov](mailto:boydston.michael@epa.gov) at (303) 312-7103, or me at [marcu.michelle@epa.gov](mailto:marcu.michelle@epa.gov) or at (303) 312-6921. If you have other questions

regarding EPA's work in connection with Pavillion, please feel free to contact Mr. Sitz at [sitz.thomas@epa.gov](mailto:sitz.thomas@epa.gov) or (303) 312-6918 or Mr. Lensink at [lensink.andy@epa.gov](mailto:lensink.andy@epa.gov) at (303) 312-6908.

Sincerely,

Michelle Marcu  
Enforcement Attorney
